■ KUALA LUMPUR 6 MEI

MAYBANK Asset Management Group (MAMG) menandatangani memorandum persefahaman (MoU) dengan DIAM Co. Ltd. (DIAM) bagi mencari jalan strategik untuk bekerjasama dan meneroka ke dalam dana pengedaran rentas sempadan di pasaran ASEAN dan Jepun.

MAMG berkata, melalui kerjasama ini, kedua-dua pihak akan memanfaatkan kekuatan serantau masing-masing, sumber-sumber penyelidikan, kepakaran dan kehadiran selain turut menggabungkan strategi yang mampu memberikan pelanggan dengan keperluan pelaburan yang lebih baik.

"Ini adalah satu usaha menarik kerana ia akan menambah kepelbagaiannya kepada penyelesaian pelaburan sedia ada bagi pelabur institusi dan individu," katanya dalam kenyataan di sini hari ini.

Majlis menandatangani MoU disempurnakan oleh Ketua Pegawai Eksekutif MAMG, Nor' Azamin Salleh dan Naib Presiden Eksekutif yang juga Ketua Perniagaan Global DIAM, Hajime Fukuzawa sambil disaksikan oleh Pengurus MAMG, Datuk Mohaiyani Shamsudin.

Menurut MAMG, pihaknya akan bekerjasama rapat dengan DIAM yang merupakan syarikat peng-

rusan dana terkemuka Jepun bagi membina strategi pengurusan dana meliputi profil risiko dan gaya pelaburan yang memenuhi permintaan semua pelabur.

"Dengan kepakaran yang dimiliki dalam penyelesaian dan produk-produk ditawarkan, MAMG akan terus meluaskan rangkaian globalnya bagi menawarkan dana alternatif yang khusus bagi pelanggan baharu dan berpotensi di peringkat global," jelas syarikat itu.

MAMG akan terus meluaskan rangkaian globalnya bagi menawarkan dana alternatif yang khusus bagi pelanggan baharu dan berpotensi di peringkat global.

Maybank Asset, Japan's DIAM in collaboration pact

KUALA LUMPUR: Maybank Asset Management Group (Maybank AM) and Japan's DIAM Co Ltd have signed a memorandum of understanding to collaborate and venture into cross-border distribution funds in their respective regional markets across the Asean countries and Japan.

This will further add diversity to the current array of investment solutions offerings for institutional and individual investors alike.

"Maybank AM will work together with DIAM, one of

Japan's leading fund management companies to develop fund management strategies that cover a wide span of risk profiles and investment styles catering to all types of investors," Maybank AM said in a statement.

With this collaboration, both parties will leverage on each other's regional strengths, research resources, expertise and presence, combining strategies to better meet clients' specific investment needs.

Maybank to work with Japanese asset management firm

by ISHUN P AHMAD

MAYBANK Asset Management Group Bhd (MAMG) has entered into a memorandum of understanding (MoU) with Japan's fund management firm DIAM Co Ltd.

The parties have pledged to work closely with each other to explore strategic ways to collaborate and venture into cross-border distribution funds in their respective regional markets across the Asean countries and Japan.

Based in Japan, with presence in Singapore, Hong Kong, London and New York, DIAM has assets under management of more than US\$142 billion (RM570.84 billion) globally.

In a statement earlier, MAMG said it will work together with DIAM to develop fund management strategies that cover a wide span of risk profiles and investment styles catering to all types of investors.

With this collaboration, both parties will leverage on each other's regional strengths, research resources, expertise and presence, combining

their strategies that work to better meet clients' specific investment needs, said MAMG.

According to MAMG, this would further add diversity to its current array of investment solutions offer-

ings for institutional and individual investors alike.

With DIAM's wealth of expertise and full-service managed solutions in Japanese equity and fixed-income, and a range of other pension and

retirement planning products, MAMG continues to expand its global footprint and offer alternative funds that are highly specialised to existing and potential clients in its global expansion," said MAMG.
